Action Taken Report of SSS Session 2021-22

As per the compiled & analyzed data of Student Satisfaction Survey conducted for the year 2021-22, it was observed that there is unrest among some students regarding "Wi-Fi Facility and Medical Facility". So the matter was brought into kind consideration of the Principal Madam and College Council, thereafter the staff members were directed to ensure proper actions to be taken.

In order to satisfy the students corrective actions were taken up regarding Wi-Fi and medical facilities. Speed of Wi-Fi increased and a multi-speciality health checkup camp was organized in our college for all students and college staff. In case of emergency a helpline number has been displayed in the college campus and hostel.
